# MINI Cylinder

Cylinder

Philip	Payne
--------	-------

Whilst retaining the styling of the Philip Payne classic Cylinder range the Mini Cylinder offers reduced dimensions, the full spectrum of modern emergency control/test options and a first fix installation benefit.

The range is LED only and is quick to install. It can be fully wired at the first fix/decorating stage leaving the legend and cover assembly to be simply plugged in with no tools required.

These products are self contained 3 hour MM/NM
