

# Play Lawn Surfacing

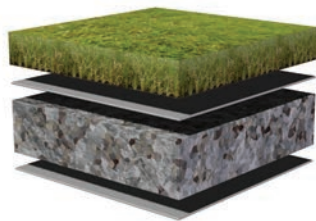

**Playforce**

*making playtime fun*

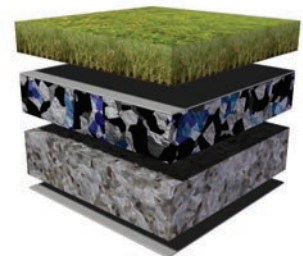

Range: Surfacing & Pathways  
Code: PSUR111-A-NA Overlay Tarmac, PSUR112-A-NA Recreation & PSUR113-A-NA Safer Impact

Play Lawn Overlay Tarmac - For use over existing tarmac

Play Lawn Recreation - 50mm angular stone & geo textile membrane

Play Lawn Safer Impact - Recycled foam shock pad on top of 50mm stone & geo textile membrane

Play Lawn is a premium synthetic grass closely replicates the colour shades found in natural grass. The surface has a thatch layer constructed from soft filaments to provide a slip resistant non abrasive surface ideal for play areas.
