

Play Turf Surfacing

Playforce

making playtime fun

Range: Surfacing & Pathways
Code: PSUR158-A-NA Overlay Tarmac, PSUR159-A-NA Recreation & PSUR160-A-NA Safer Impact

Play Turf Overlay Tarmac - For use over existing tarmac

Play Turf Recreation - 50mm angular stone & geo textile membrane

Play Turf Safer Impact - Recycled foam shock pad on top of 50mm stone & geo textile membrane

A robust short pile synthetic grass with a very natural appearance, Play Turf, is ideal for play areas. It is also suitable as an overlay for transforming tarmac areas, as a recreation surface for a smooth finish or as safer impact for high
