

Why Choose Yorkon?

Yorkon specialise in providing permanent, modular, contemporary building solutions tailored to each individual market sectors' and clients' requirements

Quality & Service

- **30-year structural warranty** as standard on every new building we produce
- **High performance floors** – ideal for a range of building types
- Our Customer Charter sets our commitment **to deliver every project on time and on budget**
- A **dedicated after sales service** for all replacement parts or maintenance queries

Aesthetics

- A wide **range of claddings** can be factory fitted giving designers the flexibility to design visually appealing buildings
- Buildings can be designed to replicate almost any footprint to maximise the space on site
- **Bespoke designs** to meet individual clients' needs

Speed

- **Up to 50% shorter programmes** than traditional construction, ensuring earlier occupation and a swifter return on capital employed
- Can work on operational sites with minimal impact
- **Guaranteed programmes** with 99% buildings delivered on time!

Compliant

- Our buildings **meet all relevant building regulations**

Sustainable

- **Sustainable options** available
- Steel structure ensures **building can be relocated, reconfigured or recycled**
- **Energy efficient buildings**

Financially stable

- As **members of the Shepherd Group** and with a **D & B score of 1**, our financial stability is secure

Project Management

- **Full design and build project management** service from project inception to ensure project runs smoothly
- **Single point of contact:** We can provide **a one stop shop** of everything you need to get your building up and running
