

ENNIS-FLINT® by PPG Prismo Epoxyline®

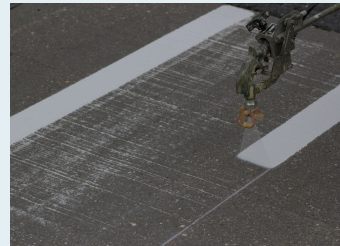

Line and Area Markings

New durable and
hassle-free paint for
line and area marking

Superior durability and easy application

Prismo Epoxyline® epoxy-ester paint for line and area marking is a one-component product, enabling hassle-free application by being provided in a single-pack. The formula is engineered to offer durable markings with a fast-drying time.

It is suitable for various line and area marking applications including factories and warehouses, cycle lanes, car parks, and EV charging bays. It can also be used for legends, logos and symbols by hand application or use of stencils.

Formulation

Epoxy-ester solvent-based paint with matte finish

Anti-skid properties which can be enhanced by drop on or incorporation of material

Installation

Supplied in one-pack for hassle-free application
