- Shape: Rectangular
- Waste diameter (mm): 90
- Waste included

Slip-resistant base (anti-slip)

Cratos

Installing shower trays manufactured in Senceramic® not only allows you to experience all the benefits of an extra-slim design, it also invites you to enjoy different natural textures which are warm to the touch. The material Senceramic® is made of a unique mixture of high quality vitreous china and enamel, creating a textured finish in the production process. Not only are these shower trays beautiful to look at, the Senceramic® texture provides strong anti-slip properties.
