

Designed by Schmidt & Lackner, this series is given a facelift and opens up to the exuberance of the curve and the sophistication that are in line with the very latest trends in contemporary interior decorating.

Designed by
Schmidt & Lackner

From the Schmidt & Lackner Design offices in Heidelberg, these German designers have worked for companies such as Sysmex, Olymp and Leifheit and their projects have received awards in competitions such as Frankfurt's Design Plus, New York's ID Annual Design and Barcelona's Delta ADI-FAD. Their vision consists in the search for the essential in every project.
