

Quadro

Contemporary Porcelain Paving

Overview

Quadro Porcelain has a subtle, contemporary look that complements any space. Porcelain is a strong, hard-wearing material, with very low porosity - so it won't deteriorate or stain over time.

- Plank format to replicate traditional timber aesthetic, providing versatile design scope
- Non-porous, frost-resistant material: protected from staining and fading
- Inherently non-combustible
- Minimal maintenance required
- Classified as “low risk of slip” across the range.
- Manufacturing in accordance with EN ISO 10545 and CE certified
