

Dimensions	3600 x 145 x 21 mm
Joist Span	600 mm
Colour Options	RAL 7016 Anthracite
Installation Options	Hidden screw system
Design / Finish	Low risk of slip
Fire Rating	A2

	Edging Trim
	3600 mm
	34.8 x 24.4 mm
	Low risk of slip

Test Items	Description
Reaction to fire	Powder Coated: EN 13501-1: Class A2 Anodized: EN 13501-1: Class A1 <span style="float: right;">Non-combustible</span>
Pendulum slip test	DRY 61 WET 42 (Low slip potential)
Material grade	T6-6063 Aluminium
Board dimension	145 x 21 x 3600 mm <span style="float: right;">Bespoke lengths available</span>
Joist span	600mm
Profile	Grooved and Textured
Finish	Powder Coated
Colour	Standard: RAL 7016 <span style="float: right;">Standard RAL colour available on request</span>
Allowable load (Uniformly distributed)	≤ 4.0 kN/m <sup>2</sup>
Allowable load (Concentration)	≤ 2.0 kN
