

Pyramid

VERSATILITY FOR MULTIPURPOSE SPACES

by **Senator**

Design Giancarlo Piretti

Pyramid is a truly versatile chair for multi-purpose spaces within the workplace and educational environments. Its intelligent design allows the chair to both stack vertically and nest horizontally, making it easy to store, move and configure as the needs of an environment change. The back of the chair incorporates a flexible mechanism that encourages movement and enhances comfort, a trademark of a Piretti designed product.
