## Collaboration solutions from HP and Logitech

Whether you work in a small, shared space or around a large conference table, HP and Logitech have the devices and innovation you need for all your collaborative efforts.

## Huddle Room Kit with HP Elite Slice

Recommended for small, shared workspaces

From easy-access, quick-launch conferencing buttons to noise reduction and audio enhancement, this conferencing solution is the ideal way to turn your huddle room into your workforce's favorite place for video conferencing.

### HP Elite Slice for Meeting Rooms<sup>1</sup>

with Intel® Unite™ 3.0 and Illuminari Quicklaunch SE to make screen sharing easy, simplify meeting setup, and access networked drives and devices. Also includes integrated wireless LAN, HDMI port, and USB connectivity

**Collaboration Cover** with call/answer, mute, volume controls, and end call buttons in easy reach

**HP Audio Module** with HP Audio Boost, HP Noise Cancellation software, dual-microphone array, custom-tuned Audio by Bang & Olufsen, and Skype for Business™ Certification

### Logitech BRIO Webcam

4K UHD camera with 5x digital zoom, infrared facial recognition, wide viewing angle, Windows Hello certification, and RightLight 3 light adjustment with high dynamic range (HDR) technology.

### Logitech K400 Professional Touch Keyboard

Media-friendly wireless keyboard with 33-foot wireless range, 18-month battery life, and customizable keys

## Conference Room Kit with HP Collaboration PC

Made for meeting rooms

Here's the collaboration solution you need to enhance productivity, strengthen personal connections, and conduct truly impressive video conferences. This collaboration bundle provides rich HD streaming that works seamlessly with your existing software or cloud service.

### Logitech PTZ Camera

Full HD video at 30 frames per second

### Logitech Remote Control

Easily adjust volume, launch and end calls, and more from anywhere in the room

### HP Collaboration PC

With Intel® Unite™ and Illuminari Quicklaunch SE to make screen-sharing easy, simplify meeting setup, and access networked drives and devices

### Logitech GROUP Speakerphone

Connects to your PC through USB or mobile device through Bluetooth® technology, exceptionally clear audio, acoustic echo cancellation, noise reduction, and intuitive controls with an extra-long cable

### Logitech K400 Professional Touch Keyboard

Media-friendly wireless keyboard with 33-foot wireless range, 18-month battery life, and customizable keys

## About Smart Presentations Limited

### WHAT WE DO

Smart Presentations Limited is an innovative technology systems integrator. We help organisations expand the potential of what groups of people working together can achieve.

Our interactive technology solutions deliver tools and working processes that drive business productivity and bring greater success.

Our mission is to be the preferred choice for organisations by virtue of our reputation and the quality of our services: 'Right First Time'.

Our reputation for delivering what we say we will on the day of completion is the foundation of our long-term success. This positive experience has made us our clients' preferred choice – and brings us lots of referred business.

'Right First Time' means all client projects are delivered:
