

CLOTHES STEAMING LOCKER

A Sturdy, Easy-Access Clothes Steaming Locker for Revitalising Clothes Post-Commute

Keeps clothes fresh, crease-free, and work-ready with our Clothes Steaming Locker, a premium addition to any End of Trip facility. Designed for busy commuters, workplaces, and cycle hubs, this locker integrates a compact clothes steamer with practical storage, helping commuters look their best after a ride, gym session, or commute. Built with durable materials and a focus on user safety, this specification-ready unit is ideal for architects, contractors, and facilities managers looking to create modern, high-quality bike storage and commuter facilities across London and the UK. Cycling to work, exercising before the office, or travelling in unpredictable British weather often leaves commuters with wrinkled clothing. The Clothes Steaming Locker solves this problem by combining secure storage with an integrated steamer, giving users a professional finish without carrying an iron or ironing board.

- › **Overall Dimensions:** 2100mm H x 600mm W x 600mm D
- › **Integrated Compact Steamer:** With safety cut-off timer and secure hanging bracket
- › **Quick Start:** Steamer reaches temperature in just 30 seconds
- › **Removable Water Reservoir:** Easy to refill and maintain
- › **Clothing Storage:** Integrated hanging rail and shelves for added convenience
- › **Construction Options:** Choice of MFC carcass or powder-coated aluminium interior
- › **Moisture-Resistant Base:** Available in a choice of finishes
- › **Durable Doors:** 18mm high-pressure laminated MDF in a wide range of colours
- › **Bespoke Options Available**

CLOTHES STEAMING LOCKER

Active commuting brings many benefits, but arriving at work with crumpled clothes can sometimes dull the experience. Fortunately, our Clothes Steaming Locker offers the perfect solution, enabling your commuters to freshen their garments conveniently and with minimal fuss.

Customisation that Works for You

Every site is different which is why this locker is built to adapt:

- › **Carcass:** MFC or PPC Aluminium (internal)
- › **Rear Panel:** Laminate or PVC lipped
- › **Doors:** 18mm high-pressure laminated MDF in a choice of finishes
- › **Integrated Steamer:** Compact, hard-wired unit with a hanger bracket and a cut-off timer
- › **Compartments Dimensions:**
 - 1No.** Clothing Hanging Rail (1100mm H x 594mm D x 564mm W) with anti-theft hangers
 - 2No.** Shelves (386mm H x 594mm D x 564mm W)
- › **Moisture-Resistant Base:** Choice of colours and finishes available
