

Primata 2 Basic housing with louvre optics

White basic housing with louvre optic for T16 (T5) and T26 (T8) continuous-row luminaires

- Choice of white painted steel, perforated white steel, or Satinbrite aluminium louvres to control glare
- Satinbrite louvres comply with EN 12464 guidelines for modern VDT screens (depending on the wattage used with the optic)
- White plastic couplers and end caps provide neat appearance and perfect alignment
- Microperforated versions create a more comfortable environment with additional ambient lighting

Photographs, line drawings and photometric data are representative only. For specific product detail please select an individual product.

Material/Finish

Housing: sheet steel, white pre-painted with roll formed aluminium reflector inserts
 Louvre: Satinbrite aluminium or white painted steel or perforated
 End caps and couplers: injection moulded white plastic

Installation/Mounting

Unique 'snap-in' mechanism enables easy tool-free installation onto luminaire
