

**75574D**

Double surface mounted electromagnet with armature.

- 300kg holding force
- For use in double action door applications
- MBS monitored
- Dual 12/24v DC voltage
- 250mA current draw @ 12v  
125mA current draw @ 24v
- For unit with integral door position switch please specify **75574DPS** (longer armature applies)

**Finish: XX**
