

# EDEN 4

The EDEN is a compact spotlight series from Tryka that offers high degree of visual comfort using precisely engineered reflector and baffle. Designed with slim trim in various sizes, this new generation spotlight is developed based on the feedback received from designers and architects.

EDEN4 is constructed with a slotted heatsink for efficient heat dissipation. The excellent colour rendering properties, constant colour quality throughout the service life and high energy efficacy makes it a perfect solution for illuminating hotels, receptions, lobbies and similar applications requiring tight glare control. A wide range of beam angles and lumen packages are available to meet the needs of various lighting applications.

EDEN4 can be supplied with various dimming options - Triac, 1-10V, DALI and non dimmable.
