Knauf Clerkenwell Showroom

LONDON, UNITED KINGDOM

Type
Indoor

Duration
1 week

When
2018

Size
10m²

Knauf Clerkenwell opened in May 2018 to showcase their products and systems. Having created a space where design meets practicality, this unique showroom displays the best of what this company has to offer.

This living wall works with one of Knauf's installations that descends from the ceiling of the ground floor down to the lower level, highlighting the versatility of the product whilst creating a stunning feature that displays the best of sustainable architecture.
