### Features & Benefits:

- Most cost effective of the Duo range
- Designed with twin 5mm horizontal wires
- Open mesh pattern provides high visibility to monitor sites without restriction
- High level of vandal resistance
- Available with optional V-Beam to further increase strength
- Supplied with standard or minimal projections at the top of the panel
- Available either bolt down, in ground or on wall
- For low level fences a safety capping is available

### Description:

Zaun's **Duo5 Clamp** perimeter fencing has been adapted from the highly popular Duo system. Designed with a thinner 5mm wire, 3 metre post centres instead of 2.5 metre and each **Duo5 Clamp** panel is fixed with a full length clamp bar to cover the panel ends, ensuring there are no edges exposed on the panel that people might snag themselves and also makes levering the panels away from the post extremely difficult for vandals.

Each **Duo5 Clamp** panel is manufactured with a 50mm x 200mm mesh pattern, which ensures a high level of visibility for protection against vandals, threats or intruders. Designed with dual 5mm horizontal wires and single 5mm horizontal wires **Duo5 Clamp** still maintains the strength and rigidity of the Duo range. **Duo5 Clamp** is a genuine value for money perimeter fencing solution, ideal for enclosing large perimeters where budgets are under pressure.

## Details:

Minimum height of 630mm to maximum height of 6.0 metres – Duo5 Perimeter Fencing

### Mesh:

Duo5 mesh comprising 50mm x 200mm mesh with dual 5mm horizontal wires at 200mm centres and single 5mm vertical wires at 50mm centres

### Posts:

Various RHS posts sizes dependent on height (see chart below for details), spaced at 3025mm centres

### Post to panel fixing:

Panels fixed to posts with full height 40mm x 5mm clamp bars with bolt fixings at 400mm centres. The full height clamp bars create a flush safe finish with the mesh ends behind the clamp bar.

### Gates:

Pedestrian gates are single leaf 1.2m wide, (or width to suit), framed in a 50mm x 50mm RHS with Zaun Duo8 mesh welded inside the frame, with slide latch. Gate supplied with rubber bump stop and 2 x suitable gate posts.

Vehicle access gates are double leaf (single leaf vehicle gates available) 3.0m wide (or width to suit), framed in 50mm x 50mm RHS, with Zaun Duo8 mesh welded inside the frame, with drop bolts and slide latch. Gate supplied with rubber bump stop and 2 x suitable gate posts.

### Finish:

Materials are galvanised and Polyester Powder coated.
