

Duo5 ZaunFix

Features & Benefits:

- Most cost effective of the Duo range
- Designed with twin 5mm horizontal wires
- Open mesh pattern provides high visibility to monitor sites without restriction
- High level of vandal resistance
- Available with optional V-Beam to further increase strength
- Supplied with standard or minimal projections at the top of the panel
- Available either bolt down, in ground or on wall
- For low level fences a safety capping is available

Applications:

-  Civic & Public Sector
-  Health & Emergency Services
-  High Security
-  Industrial
-  Residential & Commercial
-  Schools & Education
-  Transport & Infrastructure
-  Utilities

Description:

Zaun's **Duo5 ZaunFix** perimeter fencing has been adapted from the highly popular Duo system. Designed with a thinner 5mm wire, 3 metre post centres instead of 2.5 metre and each **Duo5 ZaunFix** panel is fixed with our well-established ZaunFix bracket system instead of a full length clamp bar, ensures that **Duo5 ZaunFix** is our most economical dual wire fencing solution.

Each **Duo5 ZaunFix** panel is manufactured with a 50mm x 200mm mesh pattern, which ensures a high level of visibility for protection against vandals, threats or intruders. Designed with dual 5mm horizontal wires and single 5mm horizontal wires **Duo5 ZaunFix** still maintains the strength and rigidity of the Duo range. **Duo5 ZaunFix** is a genuine value for money perimeter fencing solution, ideal for enclosing large perimeters where budgets are under pressure.

Details:

Minimum height of 630mm to maximum height of 6.0 metres – Duo5 Perimeter Fencing

Mesh:

Duo5 mesh comprising 50mm x 200mm mesh with dual 5mm horizontal wires at 200mm centres and single 5mm vertical wires at 50mm centres

Posts:

Various RHS posts sizes dependent on height (see chart below for details), spaced at 3025mm centres

Post to panel fixing:

Panels fixed to posts with ZaunFix clip and bolt fixings at 400mm centres.

Gates:

Pedestrian gates are single leaf 1.2m wide, (or width to suit), framed in a 50mm x 50mm RHS with Zaun Duo8 mesh welded inside the frame, with slide latch. Gate supplied with rubber bump stop and 2 x suitable gate posts.

Vehicle access gates are double leaf (single leaf vehicle gates available) 3.0m wide (or width to suit), framed in 50mm x 50mm RHS, with Zaun Duo8 mesh welded inside the frame, with drop bolts and slide latch. Gate supplied with rubber bump stop and 2 x suitable gate posts.

Finish:

Materials are galvanised and Polyester Powder coated.
